Our Summer Theme

As you can see above, our summer theme for 2014 is "THE GREAT ESCAPE: Dead to Sin; Alive in Christ". We will look at defining the weight of sin in order to more fully appreciate the freedom of grace that is offered at the cross! Galatians 5:1 is our theme verse.

What Makes Jr Camps Unique?

Junior camps are an introduction to summer camp. With 3 "overnights", they offer an experience away from home that is more memorable than a regular sleepover at a friend's house.

The schedule is very structured to allow an elementary school student to know what's coming next, while also helping them to learn responsibility.

The camper-to-staff ratio is roughly 3:1 which gives plenty of supervision, while still allowing opportunities for free time choices.

The speakers for the week will present the gospel message in a clear way, giving opportunity to respond.

General Q & A's

What if my child forgets to bring needed items?

Basic toiletries are available in the camp store, and bedding or other supplies are available to use if needed.

Is there a family discount for multiple kids?

No, but you are always welcome to apply for a scholarship if cost is prohibitive.

Why are campers asked to leave cell phones, ipods and other electronics at home?

We have found there to be a HUGE benefit when kids "unplug". They are able to see and hear from God without distractions.

How can I make contact in an emergency?

Call camp at 715-324-5457 or afterhours at 715-324-5000. We will call parents if there is an issue or concern here at camp.
