**Fall 2016**

***Whatever you do, work heartily, as for the Lord and not for men, knowing that from the Lord you will receive the inheritance as your reward. You are serving the Lord Christ. Colossians 3:23-24***

Hello to all!! When we last wrote, we had just closed on our new home. We are happy to report, we are officially in our house as of the beginning of October. Our goal was to move into it in September, but God had other plans for us. The summer was very LONG and TIRING for both of us. We worked full time at camp 6 days a week, then went over to our new house to work on renovations in the evenings and on the weekend. Many nights we were there until midnight, to then get up and do it all over again the next day. I would be lying if I said it was all fun. We made some major changes to the layout of the house, re-did much of the plumbing, put on a new roof and installed all new flooring, just to name a few of the bigger things. There were days where I wondered where the money would come from to take care of some of the unexpected things that came up. But God, our provider, took care of all things, in HIS perfect timing.

We were also blessed to have volunteers at just the right time, even though they were on the hottest most humid days of the summer. As the summer went along, we became discouraged and weary at times, thinking we would never get in. In late August we were able to enjoy a week away at a NASCAR race in lower Michigan. Even then, we thought we should cancel and stay back to work on the house. Many encouraged us to take that week away to just have a break. Once we returned, what was left to be done moved at a quicker pace. Our new home is very cozy and we are excited to be in it.

This whole process has been a faith journey for us from the very beginning. As I said, we saw God come through in HIS perfect time. We are now putting our faith in the next step. As we get settled, we would ask for your prayers on a very specific request.....

Our house does not have a garage, and currently we do not have a place to put all of our belongings. Doug has all his shop stuff, but no where to put it. For now we are storing it in half of the garage at the camp house. We can't do that indefinitely. The little shed we have on our property is going to have the "most needed things" for now. We would appreciate your praying with us for the finances/supplies/timing of a new garage, hopefully next spring.

Doug all ready for a day of racing

On pit road in front of Matt Kensith's car

Lisa enjoyed her Registrar job this summer, and once again, was blessed with amazing volunteers to help each opening day of camp. It is not a task that one person can do alone.

At the new house she put in her flower gardens, worked along side Doug, and learned WAY MORE about housing projects than she ever thought she would.

She did not have much time for running, but she and Amanda were able to do a 5K Color Run the weekend before we moved into the house.

She puts in about 10 hrs/wk at camp and has been working on unpacking and decorating at the new house. She is looking forward to getting out and running again, as she has her goal set for her third half marathon next May.

## What's been happening at camp?

The chapel stairs were completed, and a new retaining wall was built at the camp fire circle. The remodel of Lakeside cabin started after Labor Day family camp was done. Basically the outer shell remained, but the guys installed new roof trusses to make it bigger inside. They are also putting in new windows, a new door, new interior paneling and new siding on the outside.

Some of the future projects are to finish Lakeside cabin, install a new water heater in the dining hall, and preparing for the new road and parking lot. Doug has been blessed to have a good crew of guys working with the maintenance/custodial departments. We had a couple different retired volunteer groups here this summer as well as his weekly group of guys that come to help wherever needed. Extra hands help make projects move along, and also provides a great opportunity to fellowship. If you are interested in volunteering, please contact him. 920-850-5424 or [doug@llbc.org](mailto:doug@llbc.org)

**Jacob and Amanda are both doing well. Amanda has started her own massage therapy business. She is seeing many new clients and business is continuing to grow. She also works part time at Rawhide Boys Ranch.**

**Jacob just recently accepted a full time position at Arrow A/V in Appleton. He is excited to be doing work in his area of education.**

**We want to thank both of our kids for coming up this summer to help with house projects!!**

**We love you!**

L to R, top to bottom:

Jacob tearing out wood stove chimney, Amanda helping Doug with ductwork, the new roof being put on, Amanda helping to tile the bathroom floor, Jacob and Doug tiling the shower, the new plumbing Doug installed, clearing out the shed to make room for the important things we need, our finished bathroom

We are very grateful for all who support our work here at Lake Lundgren Bible Camp, through prayer and finances. As we have shared at different times, we rely 100% on financial gifts from individuals and churches. Many of you have responded to our need for additional support to be able to purchase our home. Thank you for that. In this current year we have had a couple significant donors who have had to let us go or decrease their giving. We are still in need of \$150-250.00/month to make up those losses. Would you prayerfully consider joining our ministry?

You can use the response form below and mail a check to camp, indicating it is for Doug and Lisa Browning, or you can give online at [www.llbc.org/new/give](http://www.llbc.org/new/give) then click on donate now. (follow the directions to set up your online gift) Either way you choose to support us, you will receive a tax deductible receipt.

Whether a special gift, monthly support, praying for us regularly, or coming up to volunteer, you are an important part of our work here. We couldn't do it without you.

Blessings to you from our family,

Lisa \* Doug \* Amanda \* Jacob

I/we would like to be part of **The Browning's** support team as they minister at  
Lake Lundgren Bible Camp.

I/we commit to:

- Pray regularly for your family and the ministry at LLBC.
- Support financially \$ \_\_\_\_\_ (circle one) monthly, quarterly, annually, one time
- We would like to help you save postage costs. You can e-mail us your newsletter.

E-mail address: \_\_\_\_\_

You will receive a receipt for your tax deduction when the check is made to **Lake Lundgren Bible Camp**.

Send payment to: Lake Lundgren Bible Camp, N18250 Lake Ln, Pembine, WI 54156

To sign up for online giving go to: [www.llbc.org/new/give](http://www.llbc.org/new/give)
