

Tahtinen's Happenings:

What's new: Ethan graduated from high school on May 19th. We flew to Orlando for his graduation as that is where the school is located that provides our curriculum. He plans on attending Bay Community College in Iron Mountain, Michigan this fall to take business classes.

Byron and Justin will be entering their final year of college. Byron will graduate with an Associates degree in Business next May from Bay Community College. Justin will graduate from Appalachian Bible College in West Virginia with a dual Bachelor's degree in Bible and Interdisciplinary Studies, which is a cross training in Christian ministries.

Cameron will be a Senior in high school and will graduate in May of 2018, while Miya will be a Junior. Both are continuing to be homeschooled as they finish up their high school education.

This summer Justin, Ethan, and Cameron will be working with us at camp. Justin and Ethan are both on the Summer Staff Team. Cameron will continue to work in the maintenance department and will also be a counselor for a week as well as work in the program department. Byron will be a volunteer Counselor and Miya will be volunteering in a variety of areas. Jackie will be leading two weeks of discipleship camp for Jr. High girls called SEEDS. All this is going on as Roger continues leading the team of full time staff.

Whew...that's a lot of "moving parts" in our family. We are thankful for a family that desires to serve along side of us in the ministry here at Lake Lundgren Bible Camp.

Special Thanks

Thank you to those who have partnered with our family. We could not minister without your prayer and support. You all have been a blessing to us. THANK YOU!

Jackie's Corner

Growing season is so short here in northeast Wisconsin, so as soon as the weather gets warm I am very anxious to get started on the garden. With cautious optimism, I start tilling the ground hoping the last freeze has come so that I can get my plants into the ground. I really haven't figured out how to know if it is the last frost or not, but I am hopeful that June is late enough. This year we have been working on the flower gardens in the front of the house. As we have been turning the soil we realized how rocky the ground is as we have hit many rocks trying to get it ready. Sometimes, we have been able to see just what we think is a little rock and we get a shovel to dig it out only to keep hitting something hard. When we are finished, we have many sized rocks, some small, but mostly many are quite larger than we originally thought from seeing only a small part of it sticking out. This made me think about how God shows me just enough; what is necessary for me to know so that I keep trusting in Him and following His guidance. I also think that I am seeing just a glimpse of the greatness of God and the blessing He has in store for those who are obedient to Him.

Roger's Corner

The Lord has been teaching me a lot this year. I have recently read the book of Nehemiah and then have heard two sets of messages on the book.

Nehemiah had a good job in the palace but followed God's call to go back to Judah and rebuild the wall. He was ridiculed and threatened but kept on doing what God called him to do. He was called to build a wall of protection. It has been encouraging because through all of his adversity, Nehemiah remained faithful.

Now in no way am I saying my life has been threatened like Nehemiah but I have noticed that when you are serving God the devil wants you to fail. It is my job to just follow God and let Him take care of the rest.

If you have not read the book of Nehemiah or haven't read it in a while, I recommend you read it. God shows his faithfulness. Even in the times of struggles, God is still faithful.

⇒ Prayer Needs:

- ⇒ We are at about 72% of our mission support. Pray for additional financial supporters.
- ⇒ Our tenants in N.C. have shown interest in buying the house. Pray they will be able to purchase it by the end of the summer.
- ⇒ We have 3 kids that will be in college in the fall.
- ⇒ Roger will begin his Master's program in August

We are grateful for all of you who have partnered with us in ministry. We are appreciative of both your prayer support and financial support. God has blessed us in meeting our needs over the years in ministry. Thank you for being part of that support.

Keeping our level of support where it needs to be has been a challenge. In the past couple of months our support level has dropped. We are now at 72% of our support goal. Would you be willing to help us reach 100%? Please pray for God to lead.

There are many ways you can support. One is prayer, we need your prayers. Financially you can give one time or monthly. Any and all gifts are appreciated. Below is a form to use if the Lord leads you to partner with us in our ministry here at Lake Lundgren Bible Camp.

I would like to partner with the Tahtine Family with my:

Prayers:_____

One time financial gift in the amount of \$_____

Monthly support in the amount of \$_____

You can also go to llbc.org/new/give to give online for one time gifts or to set up a monthly giving plan.

100% of the funds you give go to our support.

Thank you for partnering with us. We appreciate you.
