

Choronzy Family Update

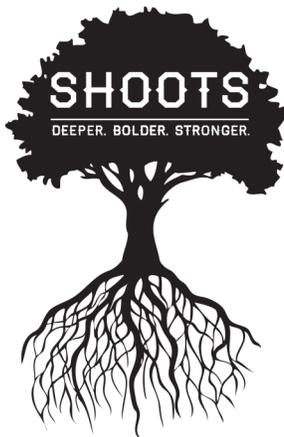

Hello Family and Friends,

These past 8 months have been a great learning and growing experience for us here at Lake Lundgren Bible Camp. We feel that God has directed us here for a reason and that camp ministry is a good fit for the gifts God has given us, and our family. In our last update, we mentioned that we were considering staying on another year and asked for prayer as we made that decision. We have decided that we are going to stay another year, with the hope of pursuing long term ministry once we get past this summer. Once the summer is over, we will have a better idea of what camp is fully like and what it will mean for us as a family. Staying on for another year, brings on a few new things for us.

SHOOTS is the Discipleship program for 7th-9th grade boys.

This means that I, Andy, am going to take on some new responsibilities. I have now taken on all of the guest group booking and coordination. Through the fall and winter season, I worked with Jon, the camp's program director, organizing guest groups, and Jon has now fully passed it off to me. I am also overseeing the canteen, the camp's snack shop, and working to fully stock it up for the summer season. I have also continued to work on discipleship camps for this upcoming summer, along with starting to work on aspects of the following summer's discipleship camps already. All of the full time staff have also been taking an Emergency Medical Responder class, so that we are able to be prepared if any medical issues come up here at camp.

With us staying on another year, we want to make sure to see all of our friends, family, and supporters in Bozeman and Idaho Falls. We will be making a trip out there at the start of May. We will be at Calvary Chapel in Bozeman on May 7th, and Christ Community in Idaho Falls on May 14th. If you want to meet up with us, please contact us as soon as possible so that we can get it set up. We are trying to meet up with as many people as possible and want to make sure we fit in everyone who wants to talk with us. We will be in the Bozeman area from May 6-8 and then down in Idaho Falls till the 15th.

We also need to keep raising financial support. Camp has asked that we try to get our monthly amount up. For those of you who support us monthly already, we want to thank you for your continued support to our ministry and we hope that you would prayerfully consider continuing your monetary giving and partnership in prayer. For those who have given a one-time donation, or given periodically, we would ask that you would consider giving a one-time gift again or even consider coming onboard as a monthly supporter. If you have partnered with us in prayer over these past 8 months, would you prayerfully consider donating a monetary gift? Any amount helps us out very much and 100% of your donations go towards our family, the camp does not withhold any for their use. It has been amazing to see how many different people have supported us and seeing how even the smallest amount adds up.

- That preparation for the summer continues to go well.
- The summer staff and their preparations to come.
- The transition of Andy into his new roles keeps going well.
