Prayers &

Praises:

- Praise God for all of the campers that have attended Summer camp so far and have heard the Gospel!
- Praise God for the many volunteer staff workers who have given their time so camp can run smoothly.
- Pray for the campers that will be coming to camp.
- Pray that our summer staff continue to trust God in whatever situation He places them in.
- Pray for Nikki and I as we prepare for our coming child.

Hello Everyone,

Nikki and I hope that this summer is treating you well! Lots of exciting things have been going on in our lives. We recently moved to a new house on camp property, had a successful staff training, completed several awesome weeks of camp, and have seen our baby grow by leaps and bounds. We are thankful for the work that God has done so far this summer and we are grateful that we get to share it with you.

Summer Camp:

In May, thirty nine summer staff workers arrived and received a week and a half of training. I was able to lead training sessions during that time and help prepare our summer staff to minister to the kids that were coming. It's been great having so many more faces around camp working alongside us.

A big project that I worked on for the summer was our escape room. The escape room encourages campers to work as a team to solve puzzles and locate a hidden object within 50 minutes. After their time in the escape room is up, whether they fail or pass, we debrief with the campers and discuss how they can apply skills they learned in the room to everyday life.

The campers have enjoyed swimming, night games, chapel sessions, nuke'em, water fights, picnics, one-on-one meetings with counselors, goofy games, and so much more. It is really cool to see what God does when the distractions of home are removed for a week and they spend time focusing on God.

So far this summer we have had 806 kids attend camp and we are on track to have a total of 1500 campers attend, which will be a record number! We have had close to 200 kids make a decision to follow Christ or rededicate their lives to Christ.

Nikki's Summer Role:

This summer has been very busy for Nikki. **Nikki has been growing a little one** who has been moving around and kicking like crazy in her belly. We decided not to find out the gender of the baby but would still love to hear your guesses as to the gender. We have already assembled a crib for our bundle of joy and are slowly piecing together the rest of baby's room. Nikki has been helping campers with dietary needs by reviewing each menu and helping them to know what they can and can't eat. Lastly, she has been helping plan and run SEEDS, which is a middle school girls discipleship camp. She has enjoyed getting to know the girls in SEEDS by teaching them and running events for them.
