Support Update

Praise the Lord and
thank you to all of you
for your support. We
should be close to
meeting our goal for
this year. If God is
urging you to help
meet our needs, please
send to: LLBC, N18250

Merry Christmas!

Time flies when you are the head cook at Lake Lundgren and have 6 kids to watch over at home. Our year has been busy with some ups and downs. Here are some of the highlights and lowlights:

- * Troy finished his responsibilities on a Pastoral Search team with the hiring of a great pastor for our church.
- * Elena and Megan got to take a personal mother/daughter retreat at Wolf River Refuge. Caleb and Troy also had a retreat there.
- * Elena enjoyed a camp backpacking trip at Pictured Rocks.
- * Megan helped coordinate a 5-day club in our area.
- * Elena, Caleb, and Rachel were able to attend camp. Rachel participated in the New Camper Experience.
- * Megan dealt with Lyme's disease for two months until treatments finally took care of the symptoms.
- * Greta and Peter keep us entertained.

- * Our family took an end of summer camping trip to Bay Shore Park with day trips to Door County and Bay Beach.
- * Megan and the kids spent a week at "Grandma Camp" visiting sites around Northeast Wisconsin.
- * We harvested about 450 lbs of potatoes from Grandpa Val's garden.
- * Elena is in 8th grade, Caleb in 6th, Rachel in 2nd and Autumn in K-5. Autumn and Rachel are doing well learning to read and write.
- * We lost 2 great men in our "family" with the passing of Mike Hryshkanych in January and Grandpa Val DeRossi in May.

Camp Update

LLBC had its biggest summer ever with over 1,500 campers and 39 summer staff which helped facilitate our transition to two counselors per cabin. Because counselors were able to spend more time with their campers, many lives were transformed as God’s Word was presented to them. Pray for more changed lives this next year!

This summer, the kitchen and dish crew staff were really “hopping” to keep everyone fed and dishes clean. Troy had help from three assistants, each for three weeks. Also, Nikki Ambrosius, whose husband Jack is applying for missionary staff, helped out by acting as a special diet liaison. She helped the cooks remember to make special foods for those who needed them and communicate to campers what they could or could not eat because of their allergies. Her great help earned her the 2nd Annual Golden Croc Award.
