What Makes Junior Camps Unique?

Junior camps are a great place to start the camp experience. The cabin groups travel as a group from one activity to the next for the bulk of the time, and then get to experience some autonomy during the afternoon free time slot. Each activity area is supervised for the highest level of safety. The chapel sessions and biblical teaching focuses on broad concepts. Each day revolves around a central spiritual theme that is then debriefed at the end of the day during the cabin debrief time.

The duration of the camp allows for a fun and safe time for campers to explore a new location, hear from God's word, and meet new friends.

General Q&A's

"Why are campers asked to leave cell phones, ipods and other electronics at home?"

-We have found there to be a HUGE benefit when kids "unplug". They are able to see and hear from God without distractions

"How can I contact my child in the event of an emergency situation?"

-Call camp at 715-324-5457. If after normal office hours use our on-call emergency number: 920-412-7329

"Is there a discount for multiple kids?"

-No...but if cost is an issue, please apply for a partial scholarship.

"How do you handle food allergies?"

-Our head cook (Troy) is very accommodating of food issues. Talk to Troy if you have concerns

"What is the staff to camper ratio?"

-We maintain a 1-3 staff to camper ratio. This includes 2 counseling staff in each cabin.
