## What Makes Youth 4 Unique?

Youth 4 really captures the heart of what summer camp is all about. The campers get to experience the more involved night games and the more advanced activity classes that were unavailable to them during Junior and Intermediate camps. We have also expanded Youth 4 to include a larger span of campers to help with buddies and siblings that would like to come together but don't match up with grade breakdowns from other weeks. The teaching goes deeper too. Where the younger camps are more focused on broad concepts, Youth camps take those concepts to the next level. The extra time spent at camp during youth weeks also helps to establish a stronger connection between the campers in each cabin.

## General Q&A's

"Why are campers asked to leave cell phones, ipods and other electronics at home?"  
**-We have found there to be a HUGE benefit when kids "unplug". They are able to see and hear from God without distractions**

"How can I contact my child in the event of an emergency situation?"  
**-Call camp at 715-324-5457. If after normal office hours use our on-call emergency number: 920-412-7329**

"Is there a discount for multiple kids?"  
**-No...but if cost is an issue, please apply for a partial scholarship.**

"How do you handle food allergies?"  
**-Our head cook (Troy) is very accommodating of food issues. Talk to Troy if you have concerns**

"What is the staff to camper ratio?"  
**-We maintain a 1-3 staff to camper ratio. This includes 2 counseling staff in each cabin.**
