**WORSHIP:
LLBC BAND**

**SPEAKER:
DAVID BUCKLEY**

David has served as the senior pastor of Country Bible Church in Wallace, Michigan for 22 years. He is married to Bobbi, and they have six children. David and Bobbi have loved the ministry of Lake Lundgren Bible Camp over the years as all six of their children have attended as campers, and several have served as volunteers and worked on the summer staff team. David is working on a doctorate in biblical counseling so that he will be more equipped to care for the hurting. He enjoys traveling with his family, reading, playing games with his kids, and a good cup of coffee.
