RETREAT SEASON AT LLBC

JANUARY 2024

## THIS FALL

### Retreats, Retreats, and more Retreats!!

It has been a busy couple of months since I last wrote. So many retreats have happened! In September and October, we held our 5 Fall Fest camps for youth groups. It was fun seeing a bunch of familiar faces of campers and staff from the summer. During these camps I was primarily in

charge of running the AV Booth during chapels, taking pictures of all of our events and during free time, as well as helping run different activities such as the Escape Room and Arrow Skeet. I was able to spend time connecting with volunteers and past SSTers who came to serve and hear about what God has been doing in their lives.

During our Crafter's Retreat, I was lucky enough to be taught

how to crochet by some wonderfully sweet and talented ladies. It's been fun to acquire new skills and meet new people in this season of life! Being at camp in the fall has been such a beautiful and restful season. I'm glad to be a part of a ministry that serves others and provides them with opportunities for fellowship and rest.

## ENTERING THE WINTER SEASON

God has been teaching me to slow down and focus on Him.

Fall Retreats have come and gone, and now we are in the beginning of the winter season. Camp is much more quiet now. I spend my time having interviews with potential Summer Staff, creating materials for more retreats, and deep cleaning/organizing various areas of camp (it was very therapeutic!).

My favorite part about the internship so far was Winterfest. I was able to reconnect with so many friends from the summer, serve alongside my siblings, and reconnect with some of my own campers from the previous year! It was a weekend full of joy, and it reminded me of how sweet eternity will be when we get to worship the Lord in community forevermore. During our Winter Family Camp, I got to spend a lot of time with these cute little ones in the nursery as well as supervise cupcake decorating! Now I'm looking forward to all the fun winter activities that camp has to offer like tubing and ice skating to keep my mind off the cold weather as well as counting down the days till summer! It is such a blessing to see camp's ministry in every season!

# SUPPORT

This internship is primarily funded by the generosity of people like you. **By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!**

I have already been supported by so many of you, and I am forever grateful for your generosity and willingness to partner with me in ministry! Thank you, thank you, thank you!! I couldn't do it without your support. Your generosity helps Lake Lundgren reach more children with the Good News of Jesus Christ. What a blessing it is to do ministry together.

I am currently still \$6000 away from my support goal. Please prayerfully consider partnering with me, so that I can continue serving the Lord at Lake Lundgren!

If you ever have any questions or just want to talk about life, don't hesitate to reach out!
