

WILLIAM STRASBURG

UPDATE LETTER
SPRING 2024

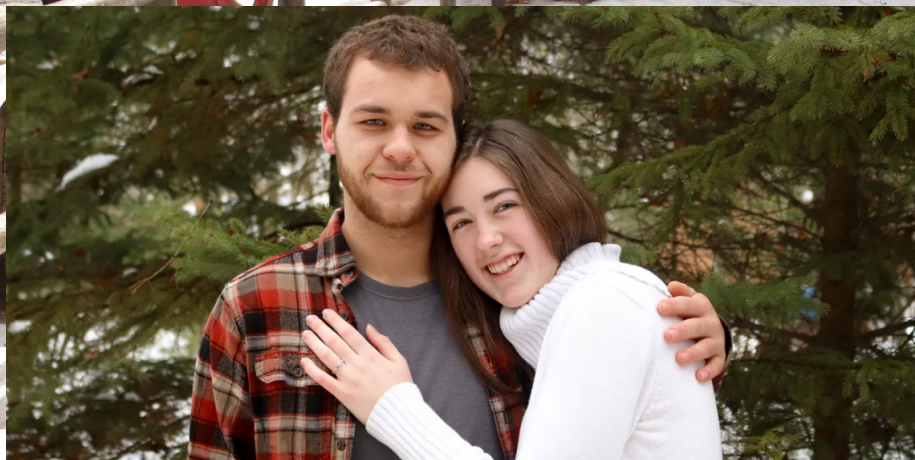

GREETINGS!

Thank you so much to everyone who has supported my ministry through prayer, financially, or even just by reading this letter! Spring is just around the corner, and for some of us it's already arrived! With the spring season comes change...

FINAL SUPPORT LETTER

After much prayer and consideration... I'm getting married! This will be my final support letter written on my own, as my fiancé Elena and I are now engaged and we will write many more together after our wedding in May! We are both so excited to pursue God's calling for missions in our lives! We hope that you'll continue to partner with us in our ministry!

What's the Timing on Brazil?

Our missions organization would like us to be married for at least one year before moving to the field, so the plan is leave in the Fall of 2025

This Issue's Joke: What's the difference between George Washington and a duck?

One has a bill on its face. The other has its face on a bill.

HOUSE PROJECT

Right now, in addition to my work at camp with maintenance, I've been working with one of my co-workers Marcus on a house that he's fixing up for his family. The house needs a lot of work though, so it'll be a while before they can move in. Elena and I needed somewhere to live after the wedding for about a year before we move to Brazil, so we partnered with Marcus to help him fix up the house, and we'll stay in a small finished part of it. It's been a real blessing on him and a real blessing for us! We've also had many people volunteer to come help on the project as well, and many thanks to those who have!

MAINTENANCE

This past winter has been a breeze when it comes to clearing snow, since we've hardly had any. However, that's made other projects possible, such as clearing the site for new cabin and adding new signs around camp. Another project we're working on is a remodel of the Den, which hasn't been updated in many years.

PRAYER REQUESTS!

- Marriage and wedding preparation!
- Working on the house project with Marcus
- Guidance and wisdom moving forward towards being a missionary in Brazil
- Prayer that people would have it in their heart to support my ministry both here and in Brazil in the future
- That I would be bold in sharing the gospel as God has commanded us to do

Serving the Lord full-time in a missionary life position means I need to raise support, both here at Lake Lundgren and in Brazil soon enough! I encourage and implore you, please support my ministry through prayer and financial giving! This year I'm hoping to raise \$15,000! Since I am transitioning into a long-term missions lifestyle, I am hoping to build up a base of supporters for my ministry, so that I can continue to serve the Lord in the way He has called me. If you would be willing to support me monthly and share in my ministry, that would be incredible, even something as simple as \$10 a month!

If you'd like to support me with prayer or want more information, please let me know through my email or phone number below!

If you'd like to support me financially you can send via check to Lake Lundgren Bible Camp N18250 Lake Lane | Pembine, WI 54156. Write the check to Lake Lundgren Bible Camp and specify that you're supporting me in the memo or the slip included.

Alternatively you can give online at llbc.org! It's very easy. Click on the green give button on the top right and fill out the donation form! All donations are tax deductible.

Thank you so much for considering and please don't feel pressured to give, but only what the Lord puts on your heart. God bless you greatly!!!
