SPRING SEASON AT LLBC

MAY 2024

THIS WINTER

Guest Group season was such a blessing!

When I first agreed to intern, I thought I was going to have a true northern winter, but boy was I wrong! From no snow for Winterfest to only having the lake available for one weekend of the winter season, I'd say we had a super mild winter! I won't lie... I thoroughly enjoyed having a

warmer and less snow filled winter. It has reminded me of God's sovereignty over the weather. He always provides just what we need! This winter we had a lot of guest groups come for their winter retreats. I was able to connect with a lot of different youth groups as I hosted groups. As a group host, I was able to aid leaders with any of their camp needs as well as check in with the group over the

duration of their stay. I formed relationships with some of the students that I met, and it has been a blessing to stay in touch with and disciple them as the weeks go by. During these past few months, I have had the pleasure of being a part of more LLBC retreats such as Couples' Retreat, Homeschool Day, and Women's Retreat. I was able to get in touch with my more creative side (thanks mom) when tasked to decorate the Forest Center for Couple's Retreat! There's a picture below of one of the setups I created.

ENTERING THE SPRING SEASON

Sunshine and warm weather are just around the corner, and I can't wait!

These past couple months I have had the pleasure of practicing a new skill. Camp got its espresso machine up and running thanks to our amazing maintenance team! For the past couple of retreats, I have been making specialty coffees for our guests to purchase. It's definitely a skill in progress, but it's a step up from

plain ole brewed coffee if I do say so myself! Now June is just around the corner, and we are busy planning for the summer. I have been working on the camper manuals that will be handed out to campers at the beginning of each week. There have also been many days that I have spent on studying God's Word to write the PQT (Personal Quiet Time) devotions that are included in the manual for the campers. When summer starts, my responsibilities will primarily be in the office. I will be in charge of camper follow up and sending out emails to families. I will also be prepping documents and materials for the fall. Thankfully I'll get to be outside and interact with campers on the weeks that I help lead SEEDS, our middle school girl discipleship camps. I am so excited for what God is going to do this summer at LLBC!

SUPPORT

This internship is primarily funded by the generosity of people like you. By staff salaries coming from donations instead of camper fees, we are able to offer camps at lower costs, so families of varying incomes can come to LLBC to experience the Gospel!

Time and time again you have supported me, and I am forever grateful for your generosity and willingness to partner with me in ministry. I am *only \$2000 away from my support goal!* Thank you, thank you, thank you! I am continually blown away by the Lord's faithfulness as He provides for my needs through His people (i.e. YOU). Your generosity helps Lake Lundgren reach more children with the Good News of Jesus Christ. What a blessing it is to do ministry together.

If you ever have any questions about Lake Lundgren, how to give, or just want to talk about life, don't hesitate to reach out!
